

BEHAVIORS THAT LEAD TO EXCEPTIONAL PERFORMANCE

*As you strive to achieve your dreams,
these behaviors can lay the foundation for your journey.*

Think like a leader—“if it is to be, it is up to me.” It’s not about the ability of those around you to lead; it’s about your ability to lead regardless of what is happening around you.

Manage to your top three priorities/problems each day. They define your value and contributions and, ultimately, your career.

Never avoid necessary confrontation. Always give problems the sense of urgency and importance they deserve.

Check your ego at the door. It’s never about you. It’s about the project, the sponsor, the client, the team, the company and others.

Think for yourself. Challenge tradition, authority and the status quo in a professional and mature manner. Routinely question your own behaviors and actions.

Embrace integrity in all that you do. Listen to your inner voice and treat it as the wise and trusted friend it is.

Don’t require the personal approval of others to function. Recognize that you can’t please everyone. Accept that others may have a contrary—but also valid—opinion.

Live in your present moments. Admit mistakes, learn from them, apply those lessons going forward ...and move on.

Treat others as you would like to be treated. You will be remembered and revered for how you made others feel.

Define who you choose to be. Then muster the courage to walk the thought. You are who you perceive yourself to be. Your vision of yourself becomes your reality.
